Notes to Bride & Groom

- If your video includes pictures, please number your pictures on the back in the order they are to appear on the video, or you can provide your pictures on a CD in numbered order if you would rather not loan us the originals. Your pictures will be returned to you with your wedding video and/or music.
- Provide 4 - 6 songs on CD's for your video. You can provide 1 CD with all of the songs burned on it, or you can provide the store bought CD's and they will be returned to you with your wedding video and pictures.
- Please be sure to call us with **any changes that are made at the last minute** so that we can make the appropriate changes in your file before your wedding day to assure you it will run smoothly and before the editing of your video begins.
- A representative from Video Reflections Studio will call you within the week of your wedding day to go over the information on this form with you.
